Sway Parish Council thank all residents for responding so well in the Covid-19 crisis – to all of you continuing to work or volunteering to help fellow residents, and all of you following the lockdown and social isolation rules. Many local services have now settled into new regimes, and as restrictions are eased it is timely to send information out to all households in the parish. In Sway we both have a large elderly and vulnerable population, and we may now find many day-tripping visitors in our area, so now is also a good time to be sure we continue our local vigilance and community support. We hope this leaflet will help.

Please note: some services listed may change over the coming weeks. Please use the phone numbers provided or find updates and more at www.swaycovid-19.info

Covid-19 Guidance

We can all help control the virus if we all stay alert. This means you must:

- stay at home as much as possible
- work from home if you can
- limit contact with other people
- keep your distance if you go out (2 metres apart where possible)
- wash your hands regularly

Do not leave home if you or anyone in your household has symptoms.

Sway Welfare Aid Group

50 YEARS OF LOCAL PEOPLE HELPING LOCAL PEOPLE

The following is a brief update on SWAG's response to the COVID-19 emergency:

Lunch Club

As you would expect, Lunch club had to be suspended during the crisis. Delivering prepared meals to members proved impractical due to shortages of ingredients. The Coordinators have however raised spirits by delivering home baked goods and Easter eggs, and are maintaining contact by telephone with members.

Medical Transport to clinics and hospitals

The service is running for non-routine cases. Our volunteers are no longer permitted to enter hospitals, and we are also requesting both clients and drivers to wear disposable face masks that we will provide. Should you require medical transport, call 01590 681 500 and select option 1.

Prescription Collection

We introduced a prescription collection service for those Sway residents who are unable to visit the local pharmacy because they are "shielding". To use this service, please call us on 01590 681 500 and select option 1.

Emergency Grants

On 24th March, SWAG announced the creation of a new and highly flexible emergency grant scheme to support those individuals and families living in Sway who are in severe financial difficulty due to this emergency. This scheme remains open and new applicants will be welcomed. For more information and to apply call 01590 681500, and selection option 2, or go to <http://www.swaghants.org.uk/covid.html>.

We also continue to welcome applications from Sway residents for financial grants for any other financial emergency. We are particularly interested to hear from NHS and Care sector workers either living or working in Sway who need financial support. Call 01590 681500, and select Option 2, or email info@swaghants.org.uk.

Volunteers Needed

We always welcome new volunteers to help the charity with our work. If you want more information, please call us on 01590 681500 and select Option 2, or email info@swaghants.org.uk us your details.

Hampshire County Council

0300 555 1375

www.hants.gov.uk

Hampshire County Council has joined forces with district and borough council partners, alongside the county's community and voluntary sector, to ensure vulnerable people are able to access the support they need:

The Coronavirus Hampshire Helpline **Hantshelp4vulnerable** can be contacted on **0333 370 4000** (calls charged at local rate) and is open seven days a week from 09:00 – 17:00.

Efford Household Waste Recycling Centre is open with revised hours of 10:00 – 16:00. Special measures are in place.

New Forest District Council

023 8028 5000

www.nfdc.gov.uk

New Forest District Council are constantly monitoring Government guidance and adjusting their services accordingly.

- Car parks are open – town and village car parks remain free to use; coastal/seafront car parks will require cashless payment or parking clocks only.
- Refuse collection services continue, including recycling and garden waste.

Important Forest information

- Forest car parks are open
- Please do not park on any verges
- Stallions are out and may remain until 22 June
- The Forest is on an amber fire warning due to the dry weather so no barbecues are allowed

Please, as always, respect the vulnerable areas that are closed to protect ground nesting birds, stick to the designated routes when cycling, keep your distance from all animals and follow the countryside code.
